RE: Public Records Act Request No. 719

Dear Mr. Martinez:

This is a follow-up to the City's letter to you regarding your request.

"Any internal documentation - including notes, slide shows or presentations, audio recordings, video recordings, etc - relating to the agency's participation in the executive track titled "Utilizing Advanced GPS Technology to Address Crime Trends" given at the 2019 International Association of Chiefs of Police LEIT Tech Conference and exposition in Jacksonville, FL (other known as IACP LEIT 2019). "

In accordance with the California Public Records Act (Government Code Section 6250 et seq.) (the "Act"), the City has complied with your request to the extent that your request seeks reasonably identifiable public records maintained by the City which are subject to disclosure under the provisions of the Act.

The City's various departments have assembled the records responsive to your request which are subject to disclosure under the provisions of the Act, and it has been represented to the City Manager's office that due diligence has been performed by the City departments and all records applicable to your request are being provided. The records consist of 69 pages, which are being forwarded electronically.

Should you encounter any difficulties receiving the attached files, the entirety of your request will also be retrievable through a search using your request number, 719. To do so, you're welcome to visit www.cityofredlands.org/recordsrequest and perform a search using your records request number, then click the "submit" button. All files will be viewable and downloadable.

If you have any questions regarding the information above, please contact our office.

Sincerely

Jimmy Nguyen
Senior Administrative Analyst
